Fire Poppers And Big Program On 4th

The Fourth of July will be celebrated in Pahokee with an afternoon and evening program of public entertainment which will reach a climax in a spectacular display of fireworks on the Pahokee waterfront, starting at 8:15 p. m.

The afternoon program starts at 1 p. m. with a pony league baseball game on the diamond in the city park. This will be followed by boating activities on the Lake front, starting at 2 p. m., these activities to include free boat rides.

There will be a big public barbecue from 4 to 7 p. m. The barbecue will be held at the waterfront if weather is clear and in the new addition of the Elks Club, if rainy. All entertainment, both in the afternoon and evening, will be free to the public except for the barbecue which will be a dollar per person.

The big fireworks display at night to originate from the city pier, is expected to attract even a larger crowd than last year when it was estimated 1,500 persons saw the display.

The Independence Day program is sponsored by local civic clubs and organizations who request that all business houses of the area be closed Monday in observance of the national holiday.

Baptist Assembly Is Now In Session

The East Coast Baptist assembly, bringing together Baptist young people and adults from Cocoa to Key West and westerly to the central part of the state for a nine-day study and recreational session, opened Tuesday night in Fort Pierce with introduction of the faculty and a brief message by the Rev. Arthur Rich of Delray Beach.

The message was on the "Three Secrets of Paul"—which the speaker said were the secret of forgetting, the secret of concentration, and the secret of reverence.

An attendance of 360 plus another 25 or 30 faculty personnel had been registered up to Tuesday night.

First study sessions get under way Wednesday morning at the Fort Pierce Hotel, which has been taken over by the assembly. Courses will be taught in training union and Sunday school work for the various age division, and in woman's missionary union work music and brotherhood.

Director of the assembly is the Rev. Hal Hunter, Pahokee Baptist pastor, and business manager is W. G. Stroup of Jacksonville.

The assembly has its own doctor, nurse cooks, recreation director and other personnel, including a faculty composed of leaders in their particular fields.

Recreational and inspirational features will be included along with the instructional courses.

A full ton of barbecue beef will be served at the Fourth of July celebration at Plant City. The barbecue will be held at the State Farmers Market and a rodeo will be staged in the afternoon.

Singletary Head Of Singing Convention

R. W. Singletary of Canal Point will head the Glades Singing Convention as president for the coming year. Other new officers elected at the annual meeting held in Canal Point Sunday at First Baptist Church include, J. D. Stacy, Bryant, vice-president and Mrs. R. W. Singletary, secretary.

A. B. Mathis, of Lake Harbor, retiring president, presided. The next "sing" will be conducted Sunday, July 25, at Church of God in Belle Glade.

Increased Space Is Court House Need

An urgent and immediate need for additional office space in the county court house will probably lead to a one mill tax increase in county millage this year. The county commission last Friday heard pleas from nearly every department head in the court house, for additional office space—most of it needed in the immediate near future.

This need, said Commission Chairman Lake Lytal, will probably mean immediate remodeling of courthouse facilities to use all available space for office space or storage room.

Pushing for new facilities for the circuit court was a delegation from the County Bar Association headed by the circuit judges, C. E. Chillingworth and Joseph White. Both judges said that present facilities were not adequate and that the arrangement of court rooms and other associated facilities were not adequate or satisfactory.

Circuit Court Clerk, Alex Arnette, said the rapid growth of population has doubled the work of his office in the past ten years. He asked for office space and immediate storage space.

County Sheriff John Kirk asked that security measures for the county jail, recommended recently by a national prison engineer, be completed this year as well as completion of facilities of another floor in the west wing of the jail.

Tax Collector Stetson Sproul said that despite the fact he had been given additional space three years ago, his office has already outgrown the extra room.

Tax Assessor James Owens said he needed more office room and more storage space.

All of the county officials urged the commission to increase the tax levy in order that the needed building program could get underway immediately.

Commissioners said adding one mill to the capital improvement fund for three years together with the amount already in the budget, would make about \$1 million available in three years time.

There was a possibility that revenue certificates will be sold by the commission to make the entire amount available immediately instead of doing the building work piecemeal over the three year period.

A tentative draft of the commission budget is due for approval next month.

Mrs. J. L. Humphrey and daughter, Edwina, are spending a vacation with relatives in Atlanta, Ga.

Zoning Program In City's Planning

The Pahokee City Council at a meeting Monday night took preliminary steps toward working out a new zoning program for the community. Councilman Dick Parrish appointed O. R. Bleech, Wiley Tillis and Robert Apelgren on a citizens' zoning and planning committee to make a preliminary study of zoning problems. It was voted to obtain the services of Frederick H. Bair, Jr., of the Florida Planning and Zoning Association to work with the committee in determining the overall zoning plan. A request will be made to the Florida League of Municipalities for zoning literature that might assist the committee in its work.

The Council promised relief to Vance Denton and Frank Tillis, property owners, who appeared at the meeting with drainage problems resulting from recent heavy rains.

Councilman Robert B. Simonson reported that according to the best authorities he could contact, including the U. S. Engineers, the toe canal which runs parallel to the Lake Okeechobee levee is under the jurisdiction of the East Beach Water Control District. This canal, badly choked with vegetation, has overflowed and flooded residential property within the city limits during periods of heavy rainfall for the past few years. Residents who have been complaining to the city about the ineffectiveness of the toe canal to carry off flood waters because of its need to be cleaned should direct their complaints to the East Beach Water Control District, Simonson said.

Acting on a request by T. W. Knight, member-elect of the County Board of Public Instruction, the Council voted \$50 for the purchase of equipment to be used in the summer recreation program at the East Lake Negro School. Owners of T-V sets leaving on vacations were asked by Building Inspector Frank Thompson and Councilman Louis Minis to dismantle their antenna towers before leaving as a safety measure.

Loris Rosenberg Is First Place Winner

Loris Rosenberg, daughter of Mrs. B. F. Rosenberg, was awarded the top talent prize at the Prince Theatre, Tuesday night, with the opening presentation of Malcolm Millar's Talent Scout Show.

The little miss presented a tap dance offering that met the enthusiastic approval of the crowd. Her dancing was rhythmic, showing a poise and charm that is seldom seen in children of her age.

Miss Ann Rita Burns came away with second prize. She presented two song numbers, accompanying herself on the piano. Miss Burns has a lovely voice with a personality and charming smile that assured her an easy win.

Winnie Grace Thomas was well received with two song numbers. She was accompanied by Roy White on the guitar.

Roy White gave two of his song numbers that went over in good shape. Mr. White will have the two numbers: "The Last Hour" and (continued on page 8)

Lampi Reports 64 In Band School

Robert O. Lampi, director of the Summer Band School being conducted at the Pahokee High School under the sponsorship of the County Board of Public Instruction, reported on Tuesday an enrollment of 64 pupils, an increase of 13 over the 51 registered the second day after the school opened. Mr. Lampi expects an even larger enrollment as band members now on vacation return to their homes. The school will be in session until July 30.

So It Won't Be Dark In C. Pt. After All

Delmar L. Hooks, retiring president of the Canal Point Lions Club, called upon committee chairman for annual reports of club activities at the dinner meeting of the Canal Point Lions in the Community Park building Monday night.

The street lights committee, committee chairman for annual reports of club activities at the dinner meeting of the Canal Point Lions in the Community Park building Monday night.

The street lights committee, composed of Albert Fremd, Alton Jones and D. L. Hooks, reported sufficient funds have been collected from Canal Point business houses and residents for the club to enter contract with the Florida Power and Light Company for a year's service of lighting the streets of the community, starting July 1.

Another outstanding project which the Canal Point Lions sponsored during the past year was the establishment of the new children's playground adjoining the Community Park on the south, which was opened to the children of the community last winter. The Canal Recreation Committee secured the equipment from the Hecksher Foundation and installation of it was made under the direction of County Commissioner Paul Rardin.

It was announced there will be no regular club meeting next week as the regular meeting date Monday is a legal holiday. President Osceola Upthegrove and other newly installed officers will take over their duties of office at the July 12th dinner meeting.

Plans were made for the club annual ladies night program to be held in the Community Park building Monday evening, July 19.

State Office Building Soon Available

TALLAHASSEE—A new state office building will soon be under construction in Tallahassee, the first new building in the Capitol Center plan to be constructed in five years.

A call for bids on the structure, which will be of monolithic, or poured concrete construction, was issued last week.

The Legislature appropriated \$2,500,000 for the project; \$2,000,000 for the building and \$500,000 for furnishings. The structure will be located on two city blocks, immediately east of the State Road Department building. The site was secured two years ago.

Thadd Whidden In Rotary Pres. Chair

Thadd Whidden, practicing attorney in Pahokee since 1931, became president of the Pahokee Rotary Club at yesterday's luncheon meeting, succeeding O. B. McClure who served during the past year and is now on vacation in the West with Mrs. McClure.

Other officers taking up their new duties yesterday were as follows: C. E. (Bill) Williams, secretary and treasurer; Bob Apelgren, Club service committee chairman; M. P. Holman, Vocational service committee chairman; Oscar Dobrow, Community service committee chairman; Ben Roberts, International service committee chairman. Each chairman of four important committees will be assisted by a goodly number of Rotarians named on each committee. O. B. McClure, outgoing president, was named as vice president.

President Whidden is a native of Wauchula in Hardee county and was graduated from Stetson University in DeLand in 1929. He became a Rotarian in 1947 and his classification is general law practice. He has many friends are predicting an outstanding Rotary year of accomplishments under the new president.

What To Do With Records A Problem

A committee of county officials this week was pondering a record subject—how to store the many records and documents which have been compiled since the county has been in business. County Commissioner Chairman Lake Lytal said the thousands of volumes of records and cases, had taken up every bit of available storage space and that unless some of the documents were destroyed, the county will have to build a huge warehouse just to store the records.

Some time ago, the commission purchased micro-film equipment which has helped some to solve the storage problem, but many of the county records do not lend themselves to microfilm processing.

Heading the records committee is Circuit Judge C. E. Chillingworth who has as his committee aides, J. Alex Arnette, circuit court clerk; James Sproul, tax collector; James Owens, assessor; Sheriff John Kirk; J. Louie Carter, Criminal court clerk; County Judge Richard P. Robbins, Henry Lichten, Asst. County Attorney and R. B. McKee, Asst. County Auditor.

"Operation Holiday" Is Now Underway

"Operation Holiday" is conducted again this year by the Florida Highway Patrol. The operation will consist of inviting members, officers and committee chairmen of various organizations to ride with the Troopers from July 2nd to July 5th. They will be able to observe conditions on the highways during the holidays.

Mr. and Mrs. Lester Hutton of New Orleans, La., have arrived in Pahokee for a visit with relatives.

Cinematic Chatter

By Malcolm Millar

Hello everybody When Sterling Hayden takes to sea again it will be for a long cruise far from the "milk route" run to Catalina Island "I'm as keen on the seas and sailing as ever," Hayden said, "but I don't own a boat now and I don't expect to get another one for at least two more years. When I do, I'll take her out for some real cruising." Hayden continues: "I'm restless enough without having a boat to tempt me. Right now I want to keep buckled down to serious work in pictures. Things are breaking great for me. I've never had such good opportunities and I can honestly say I feel a tremendous enthusiasm for my work." It was not always thus with the screens blond viking. He took his first crack at pictures because he needed a job and a newspaper pal had told him she should be able to make a wad of folding money in the movies. Well, his pal was not wrong. Hayden has made a pile of money in pictures and is riding high in popularity among the movie fans where ever his pictures are shown. It is no wonder Hayden is such a rugged fellow. He served with distinction in the Marines. Sterling returned to Hollywood and the films after the war stint. He knuckled down to real hard, serious work and climbed steadily up to the top. Well, folks, this week we started the Talent Scout Night Shows and we have some good talent lined up now for the seven week runoff shows. I hope you'll like them. See you at the movies—Mal.

Burdines' To Open New Store In July

During the latter part of July, Burdine's will open its newest store—the largest, most complete department store in the history of the Palm Beaches, and one of the most modern retail stores in the State of Florida. This marks the establishment of the fourth of the Burdine's stores, all of which stress the Florida mode of living. Since 1898 when the first Burdine's store was founded by William M. Burdine in Bartow, Florida, there has been an ever-increasing demand for Burdine's store to serve South Florida.

Interior decor in muted tones of blue, rose, green and yellow set the keynote for Sunshine Fashions featured by Burdine's. The soft, pastel shades are combined with walnut, oak and wormwood, to lend a quiet elegance to a structure designed to offer the maximum in shopper comfort and convenience.

Of much interest to customers who prefer to do their shopping under one roof is the fact that the new Burdine's will be a complete department store, with a total floor area over five times that of the present location.

Located on the first floor will be Cosmetics, Jewelry, Handbags, Neckwear, and a complete Women's Sportwear Department. The entire north section of the first floor is given over to the Men's Department, with the additional attraction of a "For Men Only Grille."

Wide, brightly lighted escalators lead to the second floor. Here are located: Children's Wear, Lingerie, Budget and Better Ready-to-Wear, the Maternity Shop, a luxurious lounge, and the Beauty Salon, staffed with expertly-trained stylists. The third floor is devoted to the Home Furnishings Division and here the Hibiscus Tearoom is located with a seating capacity of 238 persons. Informal modelling will be featured during luncheon hours. The new third floor Home Furnishings Division comprises the following merchandise: Furniture, Draperies, Carpets, China, Silverware, Glassware, Housewares and an Interior Decorating Department.

A much-needed feature of today's department store operation—store door parking by attendants—will accommodate in excess of 200 cars—thereby eliminating the oft-present parking problem.

The absence of windows above street level—there is but one in the entire structure, located in the Tearoom—permits better lighting and is a boon to the air-cooling system. Color-corrected light, incandescent and fluorescent, reveal the merchandise in all its beauty and appeal. The important advantage of the new air-conditioning system is that it provides "Zone Treatment" completely assuring air-conditioning comfort for customers in all parts of the store.

Added interior beauty is obtained from open, unobstructed floor space which aids the customer in the selection of merchandise and

permits easy passage through the aisles.

Everything for the home, as well as for the family, may be found at the new Burdine's, West Palm Beach.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

WHICH ONE DO YOU WANT?

you can have your dream house—this easy way!

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan. Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save *systematically* on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved for you, *before* you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum:

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan!

How you can reach your savings goal on the systematic Payroll Savings Plan

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Methodists Adopt Church Budget

The new official board of the Pahokee First Methodist Church at a recent meeting with I. Marshall Lair presiding as acting chairman, adopted a church budget of \$14,051 for the 1954-55 fiscal year. Dr. Rembert A. Guy, pastor, was granted a month's vacation, beginning the middle of August.

In the re-organization of the board for the new year Mr. Lair was elected vice chairman, Robert J. Schroder, secretary, and M. P. Holman, treasurer. A new chairman will be recommended at a later date by a nominating committee composed of A. J. Spencer, Mrs. John A. Dulany and Dr. Guy.

New members of the official board include Thomas Handley, Paul Riddle, William Howard, Ralph Stanley, Duncan Padgett, Bobby Howell, Mrs. Frank Friend, Mrs. B. Elliott and Mrs. Dulany.

SEARS STANDARD STATION OPEN FOR BUSINESS

Christian Science Group Of Canal Point

The spiritual basis of man's true independence will be emphasized at Christian Science services Sunday in the Lesson-Sermon entitled "God".

Man's God-given freedom will be brought out in readings from "Science and Health with Key-to-the Scriptures" by Mary Baker Eddy, including the following passage (227:14-15, 24-25):

"Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man... Citizens of the world, accept the glorious liberty of the children of God, and be free! This is your divine right."

Among the passages to be read from the King James Version of the Bible is the following (Isaiah 33:22): "For the Lord is our judge, the Lord is our king; he will save us."

Rotarians Hear C. R. Wetherington Talk

C. R. Wetherington, Jr., director of Wetherington's Funeral Home, was speaker at last week luncheon meeting of the Pahokee Rotary Club, giving a talk in which he traced the history of embalming from the days of the ancient Egyptians who were the most famous of all embalmers in history.

It was announced that installation of new club officers would take place during the July 1st luncheon meeting. Thadd Whidden, president-elect, named on the club's program committee for the coming year, starting in July, W. Hal Hunter, Chester A. Batchelor, Claude L. Shirley, William S. Plummer and Thurmond W. Knight, Mr. Knight to serve on the committee in an advisory capacity.

Frank M. Shaughnessy, past president, presided in the absence of Oscar B. McClure, retiring president.

Coke Party For Mrs. Harlan Sears, Jr.

Mrs. Pope Sears entertained at the home of Mrs. Donald Kepp at Canal Point Saturday morning with a Coke party in compliment to Mrs. Harlan Sears, Jr., who, with her husband, was spending part of their honeymoon visiting his parents and other relatives in Canal Point. Mr. and Mrs. Sears have since returned to their home in Memphis, Tenn., where he is employed through the summer but will continue his studies at the Southern School of Optometry in Memphis at the opening of the fall semester.

Wilson - Elliott

Mr. and Mrs. Lon Wilson of Pahokee announce the engagement of their daughter, Miss Sylvia Annette Wilson, to Elmer B. Elliott, son of Rep. and Mrs. B. Elliott, also of Pahokee.

Both Miss Wilson and Mr. Elliott are graduates of Pahokee High School, she being a member of Class of '33 and he, Class of '34. At the present time he is employed as manager of his father's Swim 'N' Play Motel at Hollywood, Fla.

Plans are being made for a wedding in the fall.

Methodists Honor Returning Pastor

The Rev. B. William Palmer, who was recently returned to Canal Point by Bishop John Branscomb for another year of service as pastor of the Canal Point Methodist Church, was honored by members of his congregation at a dinner and reception held at the church on Wednesday night of this week.

Members of the Woman's Society of Christian Service were hostesses for occasion, with Mrs. Earl Maxson, Mrs. Donald Kepp and Mrs. Frances Cross on the committee in charge of general arrangements. The Rev. Palmer was also honored when his congregation presented him with a surprise cash gift as an expression of their appreciation of his services during the past year.

Circle Members Are Guests Mrs. Anderson

Mrs. H. J. Anderson, new chairman of the Margery Lair Circle, First Methodist Woman's Society of Christian Service, was hostess to members of her circle at a meeting at her home on Bacom Point Road Monday afternoon.

The new chairman named Mrs. Rembert A. Guy to represent the circle on the WSCS youth committee and Mrs. R. J. Schroder was appointed missionary education chairman. Named on the church flower and greeting committee for July were Mrs. Frank Friend and Mrs. E. A. Early, first Sunday; Mrs. J. V. Thomas and Mrs. G. W. Byrd, second Sunday; Mrs. Nola B. Smith and Mrs. R. A. Guy, third Sunday; Mrs. R. J. Schroder and Mrs. Anderson, fourth Sunday.

It was announced the Margery Lair and Mabel Simonson Circles will meet jointly in July and August. The July joint meeting will be at the home of Mrs. Nola B. Smith, with Mrs. Early assisting as co-hostess, and the Mabel Simonson group to present the program.

Legion Groups In Installation Fete

THE *Right* MIX
 FOR EVERY JOB

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

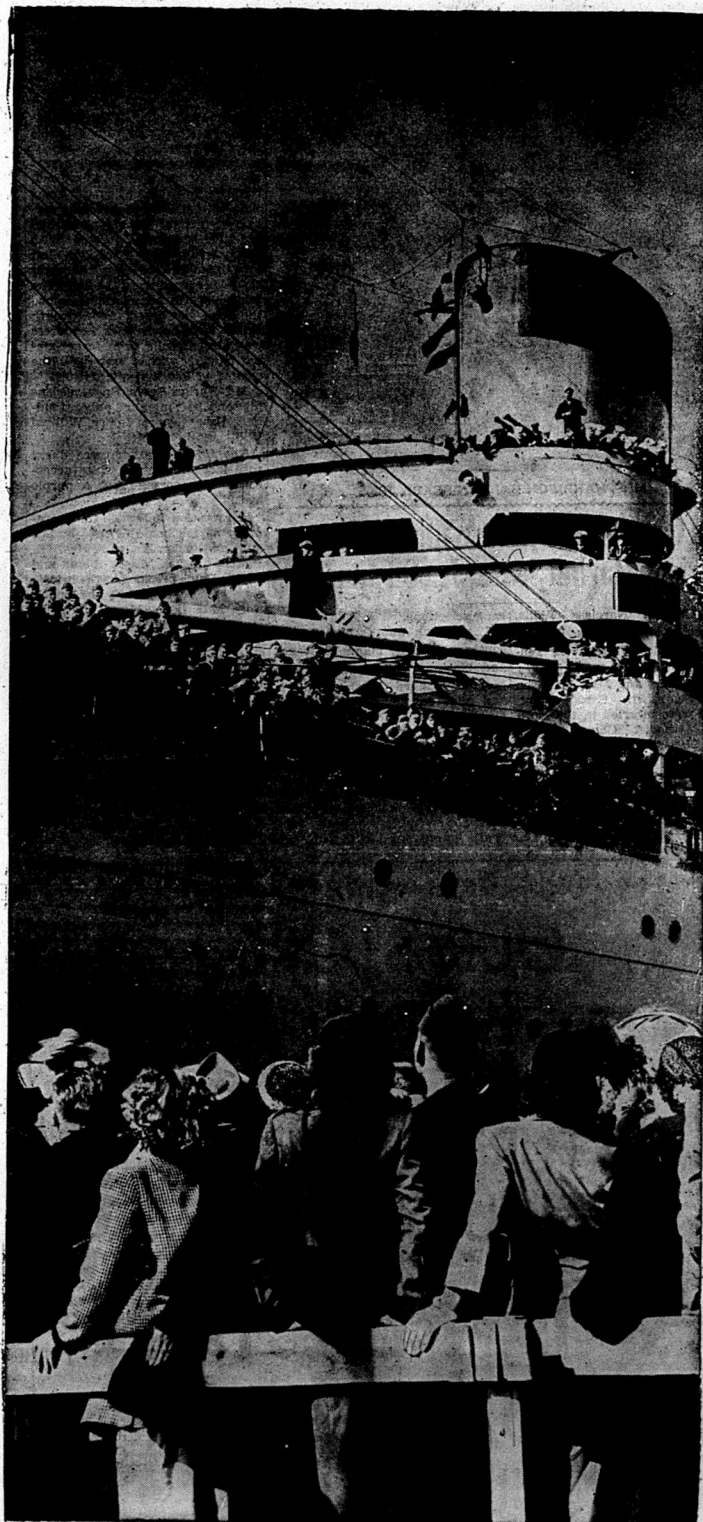

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every *Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$56.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

MRS. HARRISON HARLAN SEARS, JR.

Miss Carolyn Narcissa Willis Weds Harrison Harlan Sears, Jr., On June 20

Miss Carolyn Narcissa Willis, daughter of Mr. and Mrs. William Baldwin Willis, Whitehaven, Tennessee, and Harrison Harlan Sears, Jr. son of Mr. and Mrs. Harrison Harlan Sears, Sr., Canal Point, Florida were married in the Horn Lake Methodist Church, Horn Lake, Mississippi, Sunday, June 20th, at 7:00 p. m.

The Reverend A. W. West, pastor, performed the double-ring ceremony. Mrs. H. G. Johnston, pianist, played nuptial music and accompanied Miss Martha Ann Gill, who

sang selections.

The church was decorated with southern similar, magnolia leaves and blossoms. White candles and greenery banked the church altar; and aisle candles decorated the single aisle.

The bride, given in marriage by her father, wore an original gown by Renee in Candleglow French Chantilly lace combined with slipper satin. Fashioned with a tulle portrait neck appliqued with rose lace motifs embroidered in seed pearls interspersed with baby se-

quins, pointed lace basque, and long lace sleeves that buttoned from the elbow to form petal points over the hand. The gathered satin skirt worn over period hoops developed into voluminous fullness extending into a cathedral train. Hip pep-lums of fold upon fold of satin edged with the exquisite scalloped lace accentuated the diminutive waist. Her double tier finger-tip veil of misty bridal illusion fell from a Juliet cap of lace showered with the pearls and sequins. Her bouquet was nylon tulle, lilies-of-the-valley, centered with a purple throated orchid.

Miss Nancy Ruth Overall, served as maid of honor and only attendant. Her gown was of nymph green tulle with accents of matching satin over taffeta. The strapless shirred tulle bedecisw flanged with satin. A tulle stole fitted the left arm, then draped over the right shoulder cascading to the floor. The crushed satin cummerbund joined the three gathered floor length skirts over hoops. Her headdress was pleated tulle from forget-me-not banding with a brow veil. She carried yellow majestic daisies.

Mr. Harlan Sears, Sr. served as his son's best man and only attendant. Ushers were James William Willis and Louis Mogel.

The bride's mother wore dusty rose lace dress with white accessories. Her corsage was a purple orchid.

A reception followed the ceremony at the home of the bride's aunt and uncle, Mr. and Mrs. E. Fletcher Davis. Misses Elaine and Phyllis Davis presided at the bride's registrar. Serving cake and punch were Mrs. Louis Mogel and Miss Martha Ann Gill.

After a southern honeymoon the bride and groom will make their home in Memphis, Tennessee where Mr. Sears is a senior at the Southern College of Optometry. Mrs. Sears is employed as supervisor at the Methodist Hospital in Memphis.

Rainbow Springs has contracted with Hollywood television producers of New York to produce a motion picture film to be released over a network of 170 television stations during the summer months.

Malcolm Millar was master of ceremonies and moved the show along in fine style. Talent Scout Night is slated for a seven week run at the theatre with the Grand Finals on the eighth week for additional cash prizes.

The first weeks show was under the sponsorship of the Jones Hardware store.

Elks Receive Two New Members

John Hatton and Robert McIntosh were initiated as new members of Pahokee Lodge 1638, Benevolent and Protective Order of Elks, at the regular meeting last week. In charge of the initiation work was the lodge's ritualist team headed by Exalted Ruler Perry Duke and including Arthur Larimore, Robert O. Lampi, John Elbon, Bill Moss, Eugene Reed, W. S. Plummer and Al Lavender.
